PAYROLL SYSTEMS ANNOUNCES LIZ ECKE AS VICE PRESIDENT OF BUSINESS DEVELOPMENT

December 7, 2010, Walnut Creek, CA: Continuing to build their presence as one of the fastest growing business services firms in the San Francisco Bay Area, Payroll Systems announced today the addition of Liz Ecke to the payroll services and benefits administration sales team.

Ecke joined Payroll Systems December 1 with a well established reputation in the payroll services industry. Previously Vice President of Business Development with Payroll Resource Group, she brings nine years of experience to Payroll Systems' solid team of business development experts. A native to Northern California, Ecke began her career in the Bay Area after graduating from Heald Business College in 1977. Her passion for client service has provided her an exceptional reputation and industry trust requisite to sustaining a diverse clientele throughout California. Ecke also serves as an active member in the Elks Club and has a strong background in community service organizations. As the founder of Kid's One, a non-profit devoted to child safety, she was recognized for her efforts by President Bill Clinton with a Presidential Volunteer Service Silver Medal Award.

"We are pleased to have Liz join our team at Payroll Systems," stated Tony Bowden, President of Payroll Systems. "We share a mutual commitment to provide solutions focused on reducing employer administration costs while maximizing compliance, accountability, and efficiency. Liz is a trusted advisor to her clients and we welcome the opportunity to join forces."

"I am excited to be working with a company that makes client support their highest priority. Payroll Systems and I share a commitment to customer-centric service and business solutions," says Ecke.
